« INNOVATION for tomorrow's INFRASTRUCTURES »

**GRENOBLE (France)**

HIGH LEVEL FORUM NEWSLETTER N° 11 : AUGUST 2018

### High Level Forum 2018: **REGISTRATION IS OPEN!**

• Registration to the 7th High Level Forum, which will run on November 11-14, 2018 in Grenoble (France), is open through the HLF web Site at:

[High Level Forum 2018 Register Here](#)

• **NEW in 2018: a password will be required for the registration;** it will be provided by the HLF organization to the HLF Leader of each ecosystem Delegation in order to guarantee a minimum size of 3 Members per Delegation and a good representation of the regional ecosystem, for ensuring fruitful exchanges between Ecosystems. Exceptions will be considered for the Delegations attending for the first time.

• **You can get your registration password:**

- from your regional HLF Coordinator or the Leader of your HLF Delegation
- from HLF organization

• The registration process is including the **Hotel booking** at two Recommended hotels with negotiated fares, nearby the Forum locations; bus transportation will be organized only from these hotels.

• Registration is **open till mid October**

• **More information** at: [High Level Forum 2018 EDITION](#)

### High Level Forum 2018: **A FULL DAY DEDICATED TO "ECOSYSTEMS' NETWORKING"**

• The fourth day, November 14, is dedicated to the networking and the collaboration between Ecosystems, which is one **important added value of the Forum.**

• There will be three parallel tracks during that day:

1. **Ecosystems-to-Ecosystems meetings** between two Ecosystem Delegations for private discussions about collaboration and partnerships.
2. **One-to-One meetings** between two Individuals or between two Organizations or with Grenoble Innovation Actors.
3. **Presentations or Workshops** from some Ecosystems willing to communicate or debate about topics of common interest.  
*(see preliminary program)*

• For track 1&2 a specific Application will be provided to Attendees within September for recording the appointments.

• Attendance to track 3 will be with free access.
